

# 56lb

HEAVY DUTY  
PEDESTAL POTATO PEELER

## METCALFE 56lb (25kg) PEELER

This robustly constructed potato peeler will give reliability and long life, needing only the minimum of service. It has been designed ideally for the larger and busier catering establishments, fish and chip shops, and food and vegetable retailers where speed, high volume and dependability are vital.

### PRODUCT FEATURES

- Deep abrasive on peeling chambers and rotor plate
- One piece drive shaft - this feature eliminates any downtime owing to cross pins breaking
- Large sealed bearings
- Double 'V' belt drive - designed to eliminate complicated gears going wrong
- Easily removable hopper top, peeling chamber and rotor for cleaning.
