METCALFE RAPIMIX 500

The Metcalfe Rapimix 500 is a heavy duty, commercial stick blender designed to make light work of any mixing and blending requirements. This ergonomic hand held blender features a powerful 550w motor capable of producing a top speed of 10,000rpm and is designed to handle quantities of up to 200 litres.

The Rapimix 500 comes with 4 meters of cable and a wall holder for ease of storage. A fully waterproof, sealed, stainless steel shaft allows for easy cleaning and perfect food safety.

PRODUCT FEATURES:

- Shaft, foot and blades in stainless steel
- Motor cover in solid metal casting
- Handle in high-quality synthetics
- Includes a holding cradle for ease of storage
- 4 meters of cable
- 2 speed and continuous operation selectable
