

Model

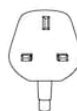

Thermo-prep

Product Description

Thermal Blender, 2 litre

Product Code

5MTB2

Standard Features

- Multifunctional appliance designed for commercial kitchens that enables you to mix, blend, weigh, stir, grind, whip, emulsify, cook, knead and chop, in one compact unit
- Saves time, money and space in the kitchen whilst enabling you to prepare purées, hot and cold sauces, ice-cream mixes, crème pâtissière, and much more
- 2 litre mixing bowl with exceptionally durable, water-tight lid seal
- Opening in lid for adding ingredients and extremely robust, reversible measuring cup
- Spare 2 litre bowl supplied as standard for seamless operation
- Stability and accuracy are supported by strong suction cup feet that minimise movement and vibration and improve weighing precision
- Continuously adjustable speed from 50 – 10,100 rpm
- Temperature range 37°C to 160°C, adjustable in single degree increments
- Superior high-performance blade configuration for purées
- Multi-functional including pulse, stir and reverse
- Fast, touch control, intuitive interface with TFT LCD display
- Select from over 600 pre-programmed recipes
- Quick function setting
- Built-in scales
- Quick release blade unit for easy cleaning
- Blades can be re-sharpened on Tormek T-2 (not supplied)
- Bowl is dishwasher proof (when blade unit and bowl holder have been removed)
- Power button on side for emergency off
- Safety turbo function
- Readily available spare parts and service support
- Covered by Metcalfe 1-year back to base warranty and full after sales service
