

Edlund DS Series II Portion Scales

Edlund's best selling DS series of stainless steel portion control scales have been totally redesigned with more features and protection than other similar digital scales. Add in our patent pending technology and NSF Certification and you've got the best performing scale in the marketplace.

- New! Dual Housing Technology™
- New! Improved design technology provides twice the moisture resistance against corrosion
- NSF Certified

- New! Power jack plug provides INCREASED PROTECTION against corrosion when batteries are used
- New! Scale Within a Scale™ design helps protect internal components against damage due to accidental shock

- New! Larger, easy to read LCD display
- Simple one button operation
- All stainless steel body
- Patent Pending!

A new design to maximize your bottom line.
